

Public Information

Infrastructure enhancement between Lecco and Tirano. From June 15, 2025, service carried out with replacement buses. Attention please! Possible long waits in Lecco for train and bus transfers.

Lines: Milan – Lecco – Sondrio – Tirano and Colico – Chiavenna.

We inform our customers that, **from June 15 to September 14, 2025**, due to infrastructure enhancement works that RFI must carry out between the stations of Lecco and Tirano, in view of the 2026 Winter Olympics, **trains circulation will be suspended between Lecco and Tirano and between Colico and Chiavenna:**

- **The "RE" trains Milan – Lecco – Sondrio – Tirano will run between Milan and Lecco, and viceversa; replaced by buses between Lecco and Tirano.** Buses from Lecco will depart from Via Balicco, exit after platform 5 of Lecco station with the following schedule:
 - **Buses to Tirano will make intermediate stops at Colico, Sondrio, and Tresenda – Aprica – Teglio;**
 - **Buses to Sondrio will make stops at Colico and Morbegno;**
- **An additional shuttle service has been established between Lecco and Varenna** with stops at all intermediate stations. Buses from Lecco will depart from the station's external square;
- **The "R" trains Lecco – Colico are entirely replaced by shuttle buses with stops at all stations** and departures every 15 minutes. Buses from Lecco will depart from the station's external square;
- **The "R" trains Colico – Sondrio and Sondrio – Tirano** are entirely replaced by buses;
- **The "R" trains on the Colico – Chiavenna route** are replaced, with hourly frequency, by a shuttle bus from Lecco that continues to Chiavenna. They make stops at all locations.

For all details on changes and replacement buses, please consult the tables in the attachments.
