

A ride suitable for everyone, that traverses between Bormio 2000 and S. Caterina, offering splendid views of the Valfurva. Some fun ups and downs add a little challenge, but the trail doesn't present any particular difficulties, and is ideal for a relaxing bike ride in the woods. The point of departure, at Bormio 2000, is reached by bike, or for those less well trained, using the gondola lift during the summer season.
