## Oga Tade'

An easy itinerary, without any steep gradients, which leads through woods of spruce, larch and stone pine, to the Tade' clearing situated in a beautiful position. Here there's a great panoramic view towards Bormio, overlooked by dolomitic peak of Cima di Reit, and the high peaks of the Valfurva and their glaciers, among which stands out Gran Zebru'. The path is suitable for beginners.

Thanks to special signposts, the path is practicable at night time providing oneself with frontal torch.
