From the parking area of Fontanaccia, above the village of Fumero, take the path S537 that goes up the Rezzalo Valley along the Rezzalasc stream to La Pontela. Continue along the valley to the mountain huts of Li Ghe'nda. After Picac you reach Macogia and the wide plateau of San Bernardo. After the small church in Gne'ra, take path S537 on the left up to Pollore. The path continues past the mountain huts along the trail with a sign indicating the lakes. After an hour or so of walking you cross a rise and can see the lakes of Pollore. From here you have wonderful views over the mountain range from Serottini to Saoretta.

The alpine lakes of Alta Valtellina A highaltitude oasis, the alpine lake has always been associated with absolute quiet and unspoilt areas. These lakes are usually located in hollows between ridges. The enchanted isolation that sets them apart makes them ideal destinations for hikers.
