From the Centrale in Santa Caterina, in Magliaga, take path S557 to Lusseda in winter this part of the trail forms part of Santa Caterina's Valtellina crosscountry ski trail. From here the path climbs regularly up to Cerena, where you can take a break. Continue along path S559 and then take path S525 through the Valle di Cerena and, after the junction with the trail that leads to the Forni road, continue along the winding path. From here you cross the Valle di Salettina and finally reach the Ghiacciaio dei Forni Hotel, with wonderful views of the Forni glacier.

Valtellina crosscountry ski trail In recent years the Valtellina crosscountry ski trail has hosted numerous World Cup races, including two finals. It lies between 1740 m and 1820 m above sea level, with its position and exposure guaranteeing ideal snow conditions from November until the end of March.
