

It is the only Italian road that leads to LITTLE TIBET. It goes up and down twice, via the Foscagno Pass, the Eira Pass and Trepalle, the highest parish in Europe. The road traffic is fair, so it is best to hit the road in the early morning or in the late afternoon. The trail features a typical Alpine landscape and one can often meet professional cyclists here doing their highaltitude training.

Start:Bormio

Arrival:Livigno

Equipment required:
