A route nestled in the woods, that leads to the area of San Colombano (Valdisotto)

Starting from the arrival of the cableway at Pian della Mota, you go up along the slope and take the trail N284.1 on the right, crossing the wood and the skilift Palancana. Proceeding into the woods, following the trail of Alta Valtellina Bike Marathon, you come to a crossroad: instead of descend towards the Felice Bridge, you keep the left, going up in direction of the arrival of the skilift Palancana and then follow the road that turns immediately right. Once you are out of the woods, the trails N208 leads you towards the Ristoro San Colombano and the Malga San Colombano. Here a nice view over the peaks surrounding Bormio will appear in front of you.
